DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 12/2/2005 has been entered.

Claim Rejections - 35 USC § 112

2. Claims 1-9, 12 and 13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 1, 12 and 13 (and all claims dependent thereon), the meaning of "PIB" is indefinite because it cannot be determined whether this refers to polyisobutylene, polybutene, a mixture thereof, or all three alternatives as a group. It is suggested that "PIB" be deleted from claims 1, 12 and 13, and change "PIB" to -- the polyalkene -- in dependent claims 4 and 7. In anticipation of potential rejoinder, applicants may wish to address this issue with respect to withdrawn claims 10 and 11 as well.

Claim Rejections - 35 USC § 102

3. Claims 1-9 are rejected under 35 U.S.C. 102(b) as being anticipated by Cengel et al. (US 4,086,251).

The reference discloses in Examples 39-43 processes of making maleic anhydride functionalized polybutenes including a free radical inhibitor, including all claimed limitations. Although the reference has not reported the terminal vinylidene percentage or the product functionality, the claimed values would be inherent in view of the polymer/MA mol ratio used and the reported PBSA yields. The burden of proof is shifted to applicants to show that the reference examples do not include the unreported values.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Roberto Rábago whose telephone number is (571) 272-1109. The examiner can normally be reached on Monday - Friday from 8:00 - 4:00.
